Rye Presbylerian Grace Notes Church Summer 2022 • Vol. 227

Congratulations to the Confirmation Class of 2022!

After several years of Confirmation Pandemic Style, in June we had our first "mostly back to normal" Confirmation Sunday since 2019. This year's class was welcomed by the Session into adult membership of the church at a joint meeting of the class and the Session on May 25. The elders were pleased to meet with the members of the class and to hear from them about their faith journeys and their intentions to continue seeking God and God's direction in their lives. On Sunday June 5, the class and their families enjoyed a breakfast in the Assembly Room generously hosted by Sarah Snell and other parents and members of the Class of 2021. Following breakfast, with class members each having a role in the worship service, the class made their public professions of faith and confirmed the promises made at their baptisms. What a joy to celebrate and welcome this talented and dedicated group of young people! Please welcome the newest members of Rye Presbyterian Church:

FALL ADULT EDUCATION

The Adult Education Committee is actively planning for the Fall "semester", which will start in September. We expect to have an evening book study as well as one evening special event open to the community.

These special programs will as always, be anchored by Bible studies:

- * Men's Bible Study, led by Rev. Love on scheduled Sunday evenings at 8:00 p.m.
- * Women's Bible Study led by Cynthia DeSantis every other Saturday morning at 10:00 a.m.
- * General Bible Study led by Rev. Love every Monday morning.
- * Women's Discipleship Group, meeting Wednesday afternoons at 1:00 p.m.. As usual, the women in the group will select the book or topic for an ongoing discussion.

After taking a hiatus for the summer, "Three Ts", a monthly discussion group will resume meeting on the Third Thursday at 10.

As these programs are fleshed out by the Adult Ed Committee over the summer details will be communicated in the weekly blast and the Sunday morning bulletin. So be on the lookout for the exciting Adult Ed year ahead.

Christian Education

Through Sunday, July 24, PreK-5th grade will meet as a combined class and will continue their journey through our Sunday School curriculum called **Celebrate Wonder**, which seeks to engage our children's natural sense of wonder and curiosity to help them understand God's love! Through opportunities for reflection, music, engaging activities, and spiritual practices, our children will be given a safe space to ask big questions and help them live into their identities as beloved children of God. Below are the stories we are engaging this July:

- July 3: 2 Samuel 6:12-19 (David Dances)
- July 10 Psalm 100 (Shout with Joy)
- **July 17:** Luke 1:46-55 (Mary's Song)
- July 24: Matthew 5:13-16

(Salt and Light)

We invite families to engage these stories together at home. This curriculum comes with its own Take-Home pages that invite families to read, wonder, and pray together. These pages will be sent with your children every Sunday morning. We will also include these pages in our **weekly Christian Ed newsletter**. If you would like to receive these pages and are not already signed up for our newsletter, please contact Rev. JP (jmarshall@ryepc.com).

Sunday School Leaders

Here at Rye Presbyterian Church we seek to guide and nurture our children on their journey of faith, engaging their natural sense of wonder and curiosity to help them know and understand God's love. We invite you to join in on that journey of wonder and curiosity as a Sunday School leader. It is a wonderful way to connect and engage with the children of our community. Lesson plans are prepared ahead of time, and all materials are provided for you. You are invited to lead based on your own schedule, either on a regular basis, seasonally, or as a substitute. Trainings and mid-year check-ins are offered, and you will be supported by the Sunday School Supervisor and the Associate Pastor all year long.

Rye Presbyterian Nursery School

Greetings to the RPC Community from Kristin Bassett Kumar

We closed out the 2021-2022 school year with our traditional Rainbow Ceremonies. These moving up ceremonies have been a part of RPNS for over 40 years. Many years ago, the rainbow was chosen to be the symbol of this ceremony because rainbows exist for a moment in time when there is the perfect combination of elements. Each beautiful color in the rainbow is different from the next, but when the colors come together, they create something incredibly special. Each child at RPNS is unique and during their time at RPNS they came together as friends and created something as incredibly special as a rainbow. Just like a rainbow only lasts for a brief time, their experience as a preschooler is a small but significant moment in their educational journey.
